

# A.C.T. HERPETOLOGICAL ASSOCIATION

## SEPTEMBER NEWSLETTER

The next meeting of the A.C.T. Herpetological Assoc. will be on:-  
WEDNESDAY 23<sup>rd</sup> SEPTEMBER 1987 at 7.30pm.

The talk for this month will be given by David Carter on "The Nullabor - Reptiles and other Wildlife".

Many thanks to Mark Schuster for his interesting talk on "Rainforest Reptiles" last month. Mark also had a variety of preserved specimens along to show with his talk which were handled and discussed. Thanks Mark, for putting on a talk with a difference at short notice.

Subscriptions are now overdue and may be forwarded to the Treasurer at the following address, or paid at our meetings:-

Mr. P. Hardiman,  
Treasurer,  
A.C.T. Herpetological Assoc.,  
115 Fullagar Cres.,  
HIGGINS. A.C.T. 2615.

Congratulations to Will Osborne and his wife Maxine on the birth of their son, Alexander, and also to Mark Lintermans and his wife who recently had twins!
